

Celebrating Sports Cars from Every Era at the Heartland's Historic Raceway

Founded in 2013 by CB Harris and his wife Cheryl, the Revival is a tribute to the history of sports car racing at the Lake Garnett Raceway from 1959-1972. We thank the Harris family, the city of Garnett, and all the volunteers and sponsors who make it possible.

Visit LGGPR.org for full track & car rules, entry & spectator information, and to get registered!
